OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of January 1, 2020 but are subject to change without notice.

CONSIDERATIONS

In most areas of the country, state or local law does not requires you to buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave box or a burial vault will satisfy these requirements. ***Outer Burial Containers are subject to a delivery and set up charge that is seperate from the cost of the container and opening and closing charges at the cemetery. This fee will vary depending upon the location of the cemetery.*** There is an additional \$165.00 charge from Vault Company for Saturday services.

Outer burial containers are listed from least to most expensive. A display or pictures are available at our office.

CREMATION CASKET PRICE LIST

These prices are effective as of January 1, 2020 but are subject to change without notice.

CONSIDERATIONS

A cremation casket is used to facilitate handling and placing the remains into the crematory and is required by the crematory for cremation. You do not have to buy a cremation casket from Malcom's Brower-Wann if you want to furnish your own. You can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The listed cremation caskets are generally in stock, however there may be times when they are not available. A display or pictures are available at our office. ***Any wood caskets listed on the Casket Price List can be used for cremation as well.***
